Relocating to Cape Town, South Africa

COURSERA IBM DATA SCIENCE SPECIALIZATION CAPSTONE PROJECT REPORT BY MJP VAN DER MERWE

Introduction & Purpose

Introduction:

Currently I'm living in Margate, South Africa, situated on the south-eastern coastline of KwaZulu Natal.

I have accepted a new work opportunity and would have to relocate to Cape Town, South Africa, situated on the southern coastline of West Cape.

Purpose:

Finding a neighbourhood within Cape Town that offer similar or better characteristics to my current environment in Margate.

Target Audience:

This study is for my personal use, but the analysis is generic and could be useful to a broader audience.
